

Ideation Phase

Define the Problem Statements

Date	05 May 2023
Team ID	NM2023TMID08013
Project Name	Intelligent Garbage Classification using Deep learning
Maximum Marks	2 Marks

Customer Problem Statement Template:

Create a problem statement to understand your customer's point of view. The Customer Problem Statement template helps you focus on what matters to create experiences people will love.

A well-articulated customer problem statement allows you and your team to find the ideal solution for the challenges your customers face. Throughout the process, you'll also be able to empathize with your customers, which helps you better understand how they perceive your product or service.

Problem Statement (PS)	I am (Customer)	I'm trying to	But	Because	Which makes me feel
PS-1	Garbage collector	Classify the Garbage by Separation	we are checking one by one is very hard so it's takes a long time	all the wastages are combining together and it's hard to find	uncomfortable to search the waste
PS-2	Garbage separator	Separate the waste which can be recycled	It's leads to cause disease due to the harmful substances in the garbage	to collect the waste by hand	In problem
